OLUWASEUN ONIGBINDE

Aspiring Data Analyst

Welcome to my Data Analytics Portfolio

I am an aspiring Data Analyst with a growing interest in transforming raw data into meaningful insights that support better business decisions.

I have been developing practical skills in data cleaning, data analysis, data visualization and reporting using Microsoft Excel and Power BI.

Technical Skills

- Microsoft Excel
- Microsoft Power BI
- Power Query
- DAX
- Data Cleaning
- Data Visualization
- Business Reporting

Featured Project

FMCG Sales Performance Analysis

An end-to-end sales analysis project using Power BI and Excel to explore business performance, revenue trends, profitability and sales performance.

Tools used: Microsoft Excel, Power Query, Power BI and DAX.

Career Goal

I am committed to continuous learning and building practical analytical skills to solve real-world business problems and grow as a professional Data Analyst.
